### Quartermaster, Trustee and Post CMDR Training

To all of our Post in the Department of Ohio. We are offering Quartermaster Training, Trustee Training and New Post Commander Training. We lost these training classes due to COVID19 at our normal C of A. Time, Date and Place will be determined on the amount of comrades that apply for this training.

Please specify what type of training you want to attend with your Name, Post # and District you are from and email the Department Chief of Staff, Larry Lonca at [larrylonca@windstream.net](mailto:larrylonca@windstream.net) by 31 July 2020. We will break this training into three different weekends. One weekend will be District's 1, 2, 9 and 10. Another weekend will be District's 3, 4, 11 and 12 and the other weekend will be District's 5, 6, 7 and 8.

A post will be picked that is centrally located for each weekend of training. We will come to you to conduct the training. Look for other types of training throughout the year.

Thank You,

Fred Lavery  
State Commander
