And the Emergency Service Gold Medal annually to the Nation’s most outstanding firefighter. The awards will be presented in recognition of the honoree’s pre-eminent abilities, the compassion for their fellow human beings, the knowledge of the performance of their duties, the integrity and honor of the recipient, and the service to the public they serve, the State and the Nation.

Through establishment of the Law Enforcement and Firefighter Awards, the Veterans of Foreign Wars of the United States wishes to honor those, who exemplify all the best qualities of their professions.

In so doing, we hope to clearly demonstrate to the nation the outstanding character of the men and women, the dedication to country, the understanding of the plight of others, the devotion to safety and community and their sworn objectives to protect the life and property of all people of our nation. The recipients of these awards, therefore, must be an outstanding member of their community, their state and the nation and more, an honored member of their fraternity.
