Re: Electronic Instant Bingo Machines      September 8, 2021

To All VFW Posts,

All of you should have recently received a letter from the Attorney General's office concerning your Instant Bingo license and very strongly suggesting that the current machines be physically out of your Posts, **ASAP**, by December 31 2021. This letter is to assure you that the Department also strongly urges all Posts to remove the machines that are currently in use.

There is no reason that you should put your Bingo License and/or your liquor license in jeopardy no matter what your supplier is telling you. Again on behalf of The Department of Ohio and VFWOC we **STRONGLY** urge all Posts to remove all machines.
