### VFW Department of Ohio Comrade Christian Gonzalez

VFW Department of Ohio District Four Comrade Christian Gonzalez, is from Fajardo, Puerto Rico, and graduated college from the University of Maryland. Comrade Gonzalez joined the U.S Army Reserve in June of 1996. Upon his return from basic training and AIT in 1997, he immediately transferred to the regular Army, until his medical separation in 2004 as a Military Police Officer. During his service he was awarded the ARCOM, AAM, GCM (2), NDSM, AFEM, KCM, GWOTEM, NATO Meritorious Unit.

Christian is a Life Member of the Branch Hill VFW Post 5354 in District Four. He met his beautiful wife in Memphis Tennessee, and has been married since 2018. Together they have 7 children ranging from 28-18. His favorite part of being a VFW member is making a difference in the local veteran community and continuing the lingering need for comradery that "ALL" veterans miss. Comrade Gonzalez's advise for his comrades in the VFW, "you do not have to be at your local post every day or be at every single meeting, but I encourage all members to find how they can connect within their post, and help create an

environment where veterans can come together. Let it be recruiting, cutting grass, or just asking what you can help with, get involved."

Thank you for your service and continued service to the veterans of Foreign Wars and as always Comrade, "Welcome Home".
