Deadline to submit is June 1, 2024

Many VFW members contribute a substantial number of hours or their money to assist our community or fellow veterans with a better life. They may employ their professional skills to go above and beyond their regular work to better the community.

This program is sponsored by the State of Ohio, Department of Veteran Affairs to recognize these veterans who have gone out of their way to benefit our state.

Please go to: [DVS.OHIO.GOV](https://DVS.OHIO.GOV) and look for Veterans Hall of Fame
